Getting to know Nessler & Associates

Quick Facts About Us

The Law Offices of Frederick W. Nessler & Associates, Ltd. opened its first office in Lincoln, Illinois. Frederick W. Nessler started the firm in 1977. Mr. Nessler opened this office with only two desks, one for him and one for a secretary; a single typewriter; and a partition, to separate the room into two spaces.

When Nessler & Associates first opened, Mr. Nessler did not own his own law books, and there was, of course, no internet. Graciously, Appellate Court Justice Trapp allowed Mr. Nessler to use his law library.

In the beginning Mr. Nessler's practice was a general law practice. Now the Law Offices of Frederick W. Nessler & Associates focuses its practice on helping injured people and workers.
